

Specialised insurance cover for you and your business

Windsor Management Insurance Brokers is AMCA Australia's preferred insurance partner and manages the insurance program for members.

As a professional working in the HVAC and mechanical contracting sector, you need specialised insurance that is tailored to your needs.

Talk to us

We offer a range of solutions that can help protect the business you've worked so hard to build. Here are just some of the options we may recommend:

- Public liability
- Professional indemnity
- Contract works
- Management liability
- Business Insurance
- Motor Fleet
- Tools of trade

Insurance Broking that puts you first
